Good HS RB – Best thing he does is blocking – exceptional for two seasons of blitz pick-up – blocked well last year – against Notre Dame was toe to toe with him – did a great job pass-blocking; lot of RPO if the LB fis, they throw it.
'18 80att 537yds 6.7avg (35) 8TD

Three Year Guy – took them to D2 Semis in 2017; ended up sharing time at QB; more of a thrower; High Football IQ – picked up offense from Day 1 – 2018 blossomed changing plays and getting command of the offense – gave him more freedom

FAST – UNDERESTIMATED – PLENTY OF VIDEO TO PROVE HE CAN RUN PAST EVERYONE – HAS IMPROVED HIS PASS-CATCHING – BECOMING A POSSESSION RECEIVER – ALSO RETURNS KOR
