 Had played SS and now is moved to 2b; dealt with an injury early and
 then Murukami played well, working her way back into lineup for her
 defense, trying to get defense a little tighter. Coach still likes her, had
 played well defensively throughout her career; hit first career HR vs
 UC Davis;

 leadoff hitter for last year, patient at the plate, strong defensively at 2b,
 has been a battle for her with Freijanes at 2b; very constant ball player;
 didn't get a whole lot of action early; took over in Hawaii due to injury,
 has been solid every since, now it comes down to match-ups;
